### Section C. State and Federal Standards

For each of the following standards, the agency must select a response from the following:

- Indicating "**Yes**" means the agency currently has in place policies and/or practices meeting the proposed standards and can provide documented evidence verifying such.
- Indicating "No" means the agency does not currently have policies, practices, and documented evidence in place. When a "No" is indicated, the agency must document in the space provided at the end of each area or requirement, plans to meet the standards. The plan must identify the agency's timeline for meeting the standards. Implementation of corrective action to address current Code of Federal Regulations (CFR), lowa Code, or lowa Administrative Code (IAC) standards must be completed within 30 days of the date in Section F of this form.
- The selection of "NA" indicates the item is not applicable to the programs and services your agency is enrolled for, and is not applicable in accordance to Centers for Medicare and Medicaid, Code of Federal Regulations, Iowa Code, or IAC.

This annual Provider Quality Management Self-Assessment will be returned to the agency if all sections are not completed, responses chosen are not compliant with CFR, Iowa Code, or IAC, or otherwise deemed unacceptable.

If the agency requires technical assistance, contact the regional HCBS Specialist assigned to the agency (see page one).
