RE: Iowa Department of Health and Human Services (HHS) Invites Providers to Participate in Iowa Solutions for Aging with Independence and Longevity (IA SAIL) Town Halls

EFFECTIVE: Immediately

The Iowa Department of Health and Human Services (HHS) invites providers to attend town halls for the Iowa Solutions for Aging with Independence and Longevity (IA SAIL) as we work towards building a multisector plan on aging (MPA). IA SAIL ensures that you and your loved ones have the services you need, when you need them, regardless of your age and abilities.

The town hall sessions are open to the public and are an opportunity to share insights, give suggestions and discuss concerns as we work to meet the needs of Iowans in all phases of the aging process.

Below are the IA SAIL town hall dates. Please attend the time that works best for you! **As times, dates and locations are finalized, more information will be released.**
