Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 08/01/2018. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

**441 IAC 110.7**                      **Provider Requirements**

441 IAC 110.8                      Standards. Conditions in the home are safe, sanitary, and free of hazards.

**441 IAC 110.8(2)**                      **Use of Outdoor Space**

441 IAC 110.8(2) "a"                      A safe outdoor play area shall be maintained in good condition throughout the year. The play area shall be fenced off when located on a busy thoroughfare or near a hazard which may be injurious to a child, and shall have both sunshine and shade areas. The play area shall be kept free from litter, rubbish, and flammable materials and shall be free from contamination by drainage or ponding of sewage, household waste, or storm water.

**441 IAC 110.8(4)**                      **Emergency Plans**

441 IAC 110.8(4) "b"                      The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9                      Files

**441 IAC 110.9(1)**                      **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)"b"(2)                      Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care.

441 IAC 110.9(2)                      An individual file is maintained for each staff assistant and contains:

1. Documentation from the department confirming the record checks required under subrule 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care
2. A completed Form 470-5152, Child Care Provider Physical Examination Report. The

examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.

3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.

441 IAC 110.9(4)

Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

- a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
- b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
- c. A signed medical consent from the parent authorizing emergency treatment.
- d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
  1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.
  2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
  3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
  4. The examination report or statement of health status shall be on file before the child's first day of care
- e. A statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
- f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
- g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.
- h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.
- i. A list that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.
- j. Written permission from the parent for the child to attend activities away from the child development home. The permission shall include:
  1. Times of departure and arrival.
  2. Destination.
  3. Persons who will be responsible for the child
- k. Injury report forms documenting injuries requiring first aid or medical care
- l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

## Findings:

Machell will have all items cleared off of her basement steps landing at the top of the stairway.

Machell will place her chipper that is in the outdoor play area in the shed or remove it from the outdoor play area.
