1. Basic Overview

Anny is applying to get a category A, registered child development home. Anny resides in a home with her husband, 11-year-old son and 20-year-old daughter. The family has no pets. Anny showed SW Bailey the lower level of the home and stated that was going to be her daycare area. Anny has a few things set up for the daycare, but has plans to do more in the near future.

2. Identify Observed Strengths Of The Program

Anny's home is very neat and tidy. The area that she has identified in the lower level for the daycare is spacious and appropriate for children to be able to play. Anny has raised two children and is excited to start providing daycare. Anny has

a friend who is also in the process of becoming a registered child development home provider, so she believes they can be a support for one another.

3. Identify The Aspects That Fall Below The Standard

All accessible electrical outlets are safely capped or are tamper-resistant electrical outlets.

The provider does not have safety caps in the electrical outlets in the childcare area.

Nonsmoking signs are posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone number for reporting complaints, and www.iowasmokefreeair.gov.

The provider does not have No Smoking signs posted at the entrances of the home.

110.8 (3) a : All medicines and poisonous, toxic, or otherwise unsafe materials are secured from access by a child.

The provider does not have safety locks under the kitchen or bathroom sink, where some toxic cleaning supplies are stored.

110.8 (3) e : Provider has procedures related to infectious disease and handling of bodily fluids including blood Soiled diapers are stored in containers separate from other waste.

The provider does not have a separate container for soiled diapers.

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
Within six months of becoming registered, children 18 years of age or younger residing in the household must have: Admission physical exam report.Immunization certificate.For school age: Documentation of physical exam completed at time of school enrollment or since that time.

The provider does not have provider physicals for her family members on file.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. The provider needs to add safety caps to all accessible outlets. The provider stated that she has the caps and will install them before the family leaves for their vacation.

2. The provider needs to post No Smoking Signs at all entrances of the home. The provider stated that she has No Smoking signs and will post them.

3. The provider needs to install childproof safety locks under the kitchen and bathroom sink.

4. The provider needs a separate container for soiled diapers.

5. The provider needs current physicals for all household members, on form, 470-5152, Child Care Provider Physical Examination Report. The provider states they have appointments scheduled for July 14, July 29 and November.

5. Special Notes/recommendations

The provider will send photos of the above areas showing compliance by 8/2/25.
