Suggestions/Recommendations:

Angela needs the number for each child’s parent, for a responsible person who can be reached when the parent cannot, and for the child’s physician shall be written on paper and readily accessible by the telephone. - This worker did provide her a form to use.

Angela did not have any documentation of monthly testing of smoke detectors. She needs to document those monthly. This worker did provide her a form she can use.

Angela could not locate her Emergency and Disaster plan. This worker would request once located she take a picture and send to this worker via email or text message.

Corrective Action Required:

A re-check is not needed at this time, corrections need to be made by 9/1/23 and will be reviewed at the next annual compliance check.

I encourage you to work with Ashley Cram from Child Care Resource and Referral with any ongoing compliance or training needs.
