Findings:

You have 3 dogs. All had initial exams on file. However, two need annual updates (due 11/16). Your husband needs a physical exam on the "Child Care Provider Physical Exam Report' form. Your two younger children need physical exams. Your substitute previously completed CPR/First Aid and Mandatory Reporter training. She needs to update all of these. All of the children in your care need physical exams. School age children need an admission physical exam followed by annual statement of health form signed by the parent/guardian. All children need written permission from the parent(s) for their child to attend activities away from your home.
