1. Basic Overview

An unannounced compliance visit was completed on 5/20/26 at the level C2 registered child home of Jenny and Kristofer Kunze. Jenny has been providing registered child care for 22 years. As a C2 provider, Jenny and Kristofer is allowed 14 full time children with an additional 2 school aged children for a maximum of 16 children at one time. If only one provider is present, they are allowed a maximum of 8 children. They do not currently have any approved substitutes or assistance. They provide care from 6:30 a.m. - 5:30 p.m. M-F. They accept children of all ages along with state child care assistance. Jenny and Kristofer participate in the food program ensuring nutritious and balanced meals and snacks are being provided. Jenny is Child Net certified.

2. Identify Observed Strengths Of The Program

CHILD CARE ANNUAL EVALUATION

Jenny and Kristofer have a plethora of experience caring for children giving them a vast knowledge of child development and behaviors. All care is done on the main level of the home. They offer a flexible learn through play program. They have experience caring for children with special needs.

3. Identify The Aspects That Fall Below The Standard

110.8(1) n: All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
- An updated pet exam needs to be done by 8/1/26. This will be checked at next years compliance visit
110.8 (4) b : Procedures are in place for:Evacuation to safely leave the facility,Relocation to a common, safe location after evacuation,Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue,Lock down to protect children and providers from an external situation,Communication and reunification with families,Continuity of operations, andProcedures to address the needs of individual children, including those with functional or access needs.
- This could not be located at the time of the visit. This needs to be sent to David.Jaehrling@hhs.iowa.gov by 8/1/26.
110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
- Both Jenny and Kristofer need updated physicals by 8/1/26. This will be looked at next years compliance visit.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.
- All child files need to be gone through and updated as needed. These will be checked at next year's compliance visit.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

5. Special Notes/recommendations

2026 targeted compliance of emergency preparedness plan discovered that providers were not able to locate. This needs to be found or completed by 8/1/26 and sent to David.Jaehrling@hhs.iowa.gov
