CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Tanya has been providing child care for approximately 13 years and has been registered with the State of Iowa the entire time. Tanya provides child care for children aged newborn through 12 years of age. Tanya is available for care seven days a week, all three shifts. Tanya has a family-oriented, play-based child care environment where she reports she wants kids to have fun.

2. Identify Observed Strengths Of The Program

Tanya is a participant in the CACFP food program for child care providers. Tanya reports her greatest strength is her patience and the love she shows for children in her care. Tanya maintains her paperwork in an organized manner and is able to find needed compliance items each year. Tanya's child development home remains safe and appropriate for children in her care.

3. Identify The Aspects That Fall Below The Standard

Each smoke detector is tested monthly, and a record is kept for inspection purposes.
All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
The first-aid kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.
Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

Tanya needs to resume monthly smoke detector testing and fire/tornado drills and maintain written documentation.
Tanya needs updated pet record for dog Twinkie documented on required HHS form.
Tanya needs water for first aid kit in transport vehicle.
Tanya's CPR/1st Aid has expired. Tanya needs to update CPR/1st Aid certification.

Tanya needs to send verification of the above items to Kathy by 5/11/2026. Items can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971.

5. Special Notes/recommendations

Targeted case compliance of Emergency Preparedness Plan was completed. Plan remains accurate and up to date. No changes required.
