1. Basic Overview

Tameka Thompson is a CDH Category B provider, living in Des Moines. She has been a registered daycare provider since 2012. Tameka Thompson has one approved child care assistant. Tameka Thompson lives in a 2 story house but only uses the main floor for her child care operation. Tameka Thompson offers care 24 hours a day.

2. Identify Observed Strengths Of The Program

Tameka Thompson was able to locate trainings for me and provide care for the daycare children. Four daycare children were present at our visit, ages 3 years old to 4 years old. Tameka Thompson participates in the food program. Tameka Thompson said the daycare children work on their ABC's, numbers, days of the week, do morning circle time, free play and play outside. We reviewed all safe sleep regulations. Tameka Thompson has pack and plays for infants. We reviewed no

blankets, pillows or stuffed animals are allowed in the pack and play with a child under the age of 1 years old. Tameka Thompson uses "three strikes your out" and redirection for disipline. If the child continues to the behavior after 3 warnings, they will go in a timeout.

3. Identify The Aspects That Fall Below The Standard

Each smoke detector has been installed according to manufacturer's recommendations.
Each smoke detector is tested monthly, and a record is kept for inspection purposes.
All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
110.9 (2) c : Certification of two hours of approved training relating to identification and reporting of child abuse within six months of employment.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

A smoke detector was beeping at the time of my visit. Please change the battery in the smoke detector. And each smoke detector is tested monthly, and a record is kept for inspection purposes.
2. All household pets need updated vet statements. This needs to be completed on the state required form and updated yearly.
3. Please locate your assistants mandatory reporter training. CCR&R can help you find trainings if you need assistance.
4. Please review all child files. Each child needs both immunization records and a physical. Physicals need updated yearly.

5. Special Notes/recommendations

I encourage you to continue working with Heather Sheesley from Child Care Resource and Referral for any ongoing compliance or training needs. Heather: Work Cell: 515-360-7308

Emergency preparedness plan met targeted expectations.

HHS Child Development
Home Compliance Worker: Ellen Abbott Date: 5/14/2026

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at
