#### Findings:

Your water tests need to be completed every year. Yours expired 12-8-17.

Your pet records need to be on the correct form , 470-5153. You had that form but it expired on 11/22/17 as they need an annual exam.

All but TT, OG and SF need an update intake and emergency authorizations.

AB needed an updated physical.

#### Suggestions for Improvement:

#### Recommendation:

I forgot to ask about your physicals. Please make sure you have them and they are on the approved form 470-5152 and signed off by a physician. They need to be completed every 3 years. Also your daughter, who is your sub or assistant on paper but you state you have not used will need that along with their training if you plan to use her in the future.

[ ] Is the recommendation to terminate a provider agreement or revoke a registration?

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.
