CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category A provider Kimberly Robinson. Kimberly has been involved in child care for 25 years. She continues using the main and 2nd story of her 2 story home. Kimberly's primary child care space is her main floor which includes an open design with kitchen and great room. She uses a couple bedrooms on the second story for napping, and we reviewed the necessary supervision with regular eyes and ears on the nappers. Kimberly had 3 children present during our visit and cares for 5 total at this time. She is planning to start 3 more this summer at which time she will be full, and then will lose a couple with the start of school next fall. Kimberly has one dog and has a current vet statement on file. She has both a fenced in back yard and a fenced side deck that she uses for her outside play area. Kimberly has one HHS-approved substitute/assistant. She is due to renew her registration effective 1/31/2027.

2. Identify Observed Strengths Of The Program

Kimberly described her strengths as her years of experience, her ability to make quick decisions when necessary, and her approach in "treating all the children she cares for as family." Her curriculum includes lots of free play mixed with structured activities throughout the day. The children transitioned from free play to some coloring during my visit. She regularly includes books, story time, games, and regular outside time as weather allows. Kimberly participates in the Food Program to enhance the nutrition of her meals and snacks.

3. Identify The Aspects That Fall Below The Standard

Kimberly was in compliance at this time.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

The 2026 targeted compliance for the Emergency Preparedness Plan was conducted. Kimberly was in compliance having a plan consistent with her current operation.

I encourage Kimberly to work with Katie Cruise from Child Care Resource and Referral with any ongoing compliance or training needs.
Katie can be reached at: (319) 530-5265

Kimberly has no current infants under 12 months of age in care though is starting one this summer. She has appropriate cribs for napping and we reviewed safe infant sleeping policies.
