Suggestions/Recommendations:

An Emergency Preparedness Plan needs to be available if needed. I emailed your Child Care Resource and Referral Worker to see if she can assist you in developing this plan.

A certificate of completion for CPR training needs to be in your file or available electronically. I emailed your CCR&R worker. They are offering funding for the CPR class.

Each child in care needs to have an individual file containing specific information regarding policies, demographics, medical information, consents, and releases. I left a list of specific paper work that needs to be in the child file.

Corrective Action Required:

A re-check is not needed at this time, the corrections need to be completed by 10/15/2023. The corrections will be checked on your next annual compliance check.

I encourage you to work with Roxana Sixtos from Child Care Resource and Referral.

Roxana Sixtos can be reached at 515-202-1310.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jaringd@dhs.state.ia.us if you have any questions regarding this letter.
