CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Janyssa Camp-Cunningham has applied to be a category "B" Child Development Home Provider. This allows her to have 8 preschool children with an additional 4 school aged children at one time for a total of 12 children in care for up to 2 hours. If there are more than 8 children in care for over 2 hours a DHHS approved assistant needs to be present. There are no pets in the Child Development Home.

2. Identify Observed Strengths Of The Program

Janyssa has completed her required trainings as reviewed by the Registration Unit. Caitlyn has completed Safe Sleep training; this worker reviewed the policy with her and gave her an informational flyer. Janyssa will implement the practice when she has children 12 months or younger in her care. Caitlyn uses Time Out and redirection as her primary behavioral interventions when needed. Corporal punishment is not practiced in the Child Development Home. Children in Caitlyn's care will receive regular meals and snacks as appropriate. The is an outside space in the front yard the children in care can access when the weather allows.

3. Identify The Aspects That Fall Below The Standard

This was a pre-inspection, and Janyssa has met the requirements for the inspection.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

None.

5. Special Notes/recommendations

I encourage you to work with your Child Resource and Referral Worker (Katie Kytola 515-631-2913) with any compliance or training efforts.
