Suggestions/Recommendations:

A re-check is not needed at this time. Corrections need to be made by 4/23/25 and will be reviewed at the next annual compliance check. Please send pictorial verification of the items where specifically noted below.

I encourage you to work with Emmeka Hawkins with Child Care Resource and Referral if you have any ongoing compliance or training needs.

Emmeka Hawkins can be reached at 563-499-1853

Thank you for your service in providing childcare in your community.

Corrective Action Required:

Tenisha needs to ensure that she is testing each smoke detector monthly and keeping a record of testing for inspection purposes.

Tenisha needs to ensure that fire and tornado drills are practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

Tenisha needs to ensure that all medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child at all times.

Tenisha needs to obtain her current provider physical on the approved HHS form.
Tenisha needs to obtain a current physical for her husband and it needs to be on the approved HHS form. Tenisha did report that he has a physical scheduled later this month. Due to the fact this was also an area where she was out of compliance at last year's annual compliance check, this worker is requesting she send pictorial verification when obtained.

Tenisha should try to locate her documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with childcare. Tenisha will need to keep that documentation that she should receive at the time of her next renewal.

Tenisha needs to work with the parents to obtain all documentation that is required for each child's file.

Addendums:

- Addendum1: After Tenisha's annual check on 4/2/25 it was requested that she send pictorial verification of her husband's physical on the approved HHS form. She did send that to this worker on 4/18/25.

This Addendum is approved by supervisor on 4/28/2025 2:28:42 PM
