CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Kyliee Quass is a CDH Category B provider, living in Grimes. She has been a registered daycare provider since 2023. Kyliee has an approved sub/assistant. Kyliee lives in a 2 story house but only uses the main floor for her child care operation.

2. Identify Observed Strengths Of The Program

Kyliee Quass was organized for our compliance check. She was able to locate trainings for me and provide care all of the daycare children. Five daycare children were present during our visit, ranging in age 20 months to 4 year olds. Kyliee uses Bright wheel to communicate with parents. Kyliee has 3 dogs. They have all been seen by a vet and do not come in the childcare area. Kyliee has a large fenced in backyard and an open green space near her house. Kyliee uses redirection and has the children sit by her for discipline. She currently has no infants enrolled, but we reviewed all safe sleep regulations. Kyliee has pack and plays for infants. Kyliee said the children like doing circle time, theme of the month, sensory activities, ABC's, numbers and Letters.

3. Identify The Aspects That Fall Below The Standard

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
