Findings:

An annual compliance check was completed on 2/18/25 and the following was out of compliance:

441 IAC 110.8(1)“n” Providers shall inform parents of the presence of any pet in the home.
Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal’s routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice.)

One of the dogs did have an annual pet exam but it was not on the approved HHS form. The 2nd dog had the appropriate paperwork.

441 IAC 110.9(2) An individual file is maintained for each staff assistant and contains:
Documentation from the department confirming the record checks required under subrule 110.11(3) have been completed and authorizing or conditionally limiting the person’s involvement with child care
A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.

Destiny is an approved assistant, but Harmony did not have the documentation from HHS approving her as an assistant.

Destiny also did not have a provider health physical for Destiny.

Suggestions/Recommendations:

A re-check is not needed at this time. Corrections need to be made by 3/11/25 and will be reviewed at the next annual compliance check.

I encourage you to work with Ashley Cram with Child Care Resource and Referral if you have any ongoing compliance or training needs.
Ashley Cram can be reached at 563-362-8224

Thank you for your service in providing childcare in your community.

Corrective Action Required:

Harmony needs to obtain one of the pet exams on the approved HHS form.

Harmony needs to obtain a provider health physical for her assistant Destiny. Harmony should also try to locate the documentation from HHS that approves her as an assistant and maintain that with her other records. for future verification.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-429-0749 or christy.weber@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,
