1. Basic Overview

Niyukuri Jainess has been a registered Child Development Home Provider since October 2019. She is currently a category "A" provider. There are no pets in the home. Care is provided on the main level and downstairs. There is a walkout exit in the basement. There is a backyard where the children can play. Niyukuri's hours of availability are 24 hours a day 7 days a week. She currently has 4 school aged children and 2 preschool children in her program.

2. Identify Observed Strengths Of The Program

Niyukuri has large areas in her home which she can provide care for children. She participates with the Food Program and the children in her care receive regular meals and snacks as appropriate. Niyukuri uses separation from others and

redirection when children need a behavioral intervention. Corporal punishment is not used in the program. She has completed Safe Sleep training and would implement the practice in her Child Development Home if she has an infant. She does have a Pack and Play if needed. Niyukuri is able to transport if needed.

3. Identify The Aspects That Fall Below The Standard

Number for each child's parent, a person who can be reached when the parent cannot and child's physician is written on paper and readily accessible by the working telephone.
All travel vehicles must have a paper copy of emergency parent contact information.
110.8 (3) a : All medicines and poisonous, toxic, or otherwise unsafe materials are secured from access by a child.
110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.

1. Each child's individual emergency contact information needs to be written on paper and easily accessible. A copy of this information needs to be in the vehicle used to transport children. A First Aid Kit needs to be in the vehicle.

2. The water heater had things pushed up against it. Nothing should be around the furnace or water heather. Please move the items away from the water heater immediately.

3. A DHHS Medical Form needs to be completed by a qualified medical professional for all household members 18 years or older.

4. Child locks need to be on any cabinets containing chemicals or cleaning materials.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
