CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Candi Washington is a CDH Category C2 provider, living in Knoxville. She has been a registered daycare provider since 2015. Candi has an approved co-provider and one approved child care assistant. Candi provides care in a ranch style house. She uses the whole house, for childcare. Candi provides care to children of all ages.

2. Identify Observed Strengths Of The Program

Candi Washington was organized for our compliance check. She was able to locate trainings for me and provide care all of the daycare children. I observed breakfast when I was present. Candi was able to care for a child who became sick during our visit, and provide me with information for my compliance visit. Candi said the children participate in circle time each day. They work on their colors, counting, their ABC's, free play and play outside. Candi has a large side yard that is fenced in. Candi uses redirection and "sit out" for discipline.

3. Identify The Aspects That Fall Below The Standard

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

At the time of my compliance visit, Ms. Washington was in full compliance.
