This letter is in regards to the compliance visit at your Registered Child Development Home C conducted on 06/11/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.
4. Certification in infant and child first aid
5. Certification or other documentation that minimum health and safety training has been completed within 3 months or prior to providing substitute care, whichever occurs first.

Corrective Action Required:

Jami's approved substitutes need to take CPR/1st Aid training and Essentials training. If Jami wants to utilize them only as assistants, Jami needs to contact the CCA Unit at 866-448-4605 and make that change.

Jami needs to send verification of the completed required trainings by 7/28/2024 or verification that she has removed them as substitutes within her child care setting.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 563-949-6971 or kathy.huinker@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,
