Inspection Findings:

The determination of this report was based on statements from staff and administration. I contacted the center n 8/14/24 and spoke with the Director. She indicated the center was out of ratio that date. She indicated OSS Kylea L. was an hour late for work leaving one staff with 17 children. Kylea wrote a statement, "On July 31st, I arrived to work late. Desiree was scheduled to be at the after school program with me & Claire S. Claire S called in & I was unaware until I arrived at the main center. Upon arrival I had a staff member ask me to step in so she could use the restroom, as they were already tight with staffing. I left immediately from there to go to the Wesley Center.
Kylea L."

Desiree D. was the staff member alone with the children. She indicated she was alone for 30 minutes to an hour with 17 children.
