Suggestions/Recommendations:

A recheck is not needed at this time. The below corrections need to be completed by 10/20/24 and will be reviewed on your next annual compliance check.

I encourage you to work with your Child Care Resource and Referral Worker (Brittany Smith 515-202-7122) with any training or compliance efforts. I have made a Referral to her to assist you with creating individual child files.

Corrective Action Required:

1. During the compliance check several smoke detectors were beeping, indicating the batteries need to be replaced. Please replace the batteries in the smoke detectors that are beeping.

2. Each child in care needs to have an individual file containing specific demographic, medical, release, and consent information. You have 4 children in care so you should have 4 files for those children. Please call Brittany Smith, her number is highlighted in the above section. She can support you with creating child files.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jarind@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Jake Aringdale
