Corrective Action Required:

Nicole's substitute Patti needs an updated physical examination. Nicole sent updated physical to Kathy by email following the visit.
Nicole needs to update (sign and date again) each enrolled child's intake and emergency medical treatment authorization form.

Child files will be reviewed again at next year's compliance visit. Nothing further is needed at this time since the physical has been received.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 563-949-6971 or kathy.huinker@hhs.iowa.gov if you have any questions regarding this letter.
