Suggestions/Recommendations:

If you have any questions regarding this letter, please contact compliance staff.

Your CCR&R representative is Jamie Needham. Her contact number is 712-579-7236.

Corrective Action Required:

In regards to the odor in the home, it is not throughout the home. While inspecting the home the East side of the home did not have the odor.
The provider mentioned that she might have some rotting potatoes. She planned to look through her food items while the children would be napping.

In regards to the missing smoke detector, the provider reported that she has all new smoke detectors to install. The play room has the bracket, but not a detector and one needs to be put up by May 17, 2024. Please send a photo of the soke detector by text to 712-435-0576 or email to stacy.burris@hhs.iowa.gov

In regards to checking your smoke detectors and documenting, compliance suggests checking on the day of your fire drill and then both items would be accomplished.

In regards to your two pets missing forms, please get these two pets into the veterinarian by July 2, 2024 and submit photos to compliance of the completed forms for the two cats. Remember that all pets need this updated physical every year.

Children's Files: work with your families to receive the annual updated physical information on the children who attend your childcare.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 712-435-0576 or stacy.burris@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Stacy Burris
