Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 04/28/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(3)	**Medications and Hazardous Materials**
441 IAC 110.8(3)"a"	All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child
441 IAC 110.9	Files
441 IAC 110.9(1)	**A provider file is maintained and shall contain the following:**
441 IAC 110.9(1)"b" (1)	I-PoWeR records or certificates verifying required training completion: Prior to registration: • minimum health and safety training, approved by the Department, in required content areas • Iowa's Mandatory Child Abuse Reporter Training Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date. During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years' training requirements, not including first-aid and mandatory reporter training
441 IAC 110.9(1)"b"(2)	Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care.

Findings:

There was a bottle of bleach in an unlocked lower cabinet in the kitchen area that was accessible by the children.

You could not locate documentation of your health and safety (Essential) training.

You could not locate documentation of your current mandatory reporter training.

You could not locate documentation of completed record checks for all household members.

Suggestions/Recommendations:

Please make sure all poisonous, toxic, or otherwise unsafe materials are secured from access by a child.

Please provide documentation of your health and safety (Essential) training.

Please provide documentation of your current mandatory reporter training.

Please provide documentation of completed record checks for all household members.

Corrective Action Required:

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 712-220-0981 if you have any questions regarding this letter.

Sincerely,
Dave Jaehrling
