Suggestions/Recommendations:

Nicole needs emergency numbers for children in care written and readily accessible. Must include child's parent, emergency contact, and dr. numbers.
Nicole needs to document written monthly smoke detector testing and fire/tornado drills.
Nicole needs updated pet statements on HHS for 470-5153 for both of her pets.
Nicole needs to post her certificate of registration.
The fence for Nicole's swimming pool was recently damaged. There is still water in the pool. Nicole signed a safety plan agreeing that she would either put the new fencing up or drain the pool by 11/13/23 and children would continue to not utilize the back yard for play.
Nicole's daughter Aurora needs physical examination report.
Nicole needs to ensure all enrolled children have updated enrollment forms (signed and dated within the last year) and a current physical and immunization form.

Corrective Action Required:

A follow up visit will not be required, however, Nicole needs to send verification of all of the above items except children's files to Kathy by 12/28/2023. Items can be emailed to khuinke@dhs.state.ia.us or texted to 563-949-6971. Verification of the pool fencing and/or draining will be provided by 11/13/2023 as agreed upon in the safety plan.
