CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Alba Marquez is a CDH Category B provider, living in Des Moines. She has been a registered daycare provider since 2014. Alba lives in a 2 story style house but only uses the main floor for her child care operation. Alba provides care to children of all ages.

2. Identify Observed Strengths Of The Program

Alba Marquez was organized for our compliance check. She was able to locate trainings for me and provide care all of the daycare children. Five children were present during my compliance visit, ranging in ages 1 year old to 3 year old. Alba speaks both English and Spanish. Alba participates in the food program. Alba said the daycare children play with toys, dolls and puzzles. Alba has one dog, that is up to date on shots. Alba said she uses face to face talking for discipline and will use "quiet time" if needed. Alba has completed all of the training to be a category B child care provider.

3. Identify The Aspects That Fall Below The Standard

Alba was in full compliance.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
