Suggestions/Recommendations:

1. Child locks need to be put on the cabinets in the kitchen and bathroom where there are cleaning chemicals.

2. A crib or pack and play must be used for the infant you have in care.

3. A completed DHHS Medical Physical Form needs to be in your provider file. Left you blank forms to be completed.

4. A certificate of completion for CPR training needs to be in your provider file or available electronically. CCR&R has funding for CPR Trainings.

5. Your substitute needs to complete all required trainings including CPR and Mandatory Reporting trainings. Your substitute also needs a completed DHHS Medical Physical Form completed and in her file.

Corrective Action Required:

A re-check is not needed at this time. The above corrections need to be completed by 11/21/2023 and will be checked on your next annual compliance check. Safe Sleep needs to be practiced immediately and at all sleep times.

I encourage you to work with Roxana Sixtos from Child Care Resource and Referral to make the above corrections and with any other compliance or training efforts.

Roxana can be reached at 515-202-1310.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jaringd@dhs.state.ia.us if you have any questions regarding this letter.
