Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 05/17/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1)	**Facility Requirements**
441 IAC 110.8(1)"c"	Combustible materials shall be kept a minimum of three feet away from furnaces, stoves, water heaters, and gas dryers
441 IAC 110.8(1)"h"	The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

Findings:

Per our 5/17/2023 spot check visit, the following corrections need to be made as described in the policy sections above:

1. You need to remove the clothing on the floor and up against your furnace. Three feet of space around the furnace needs to be maintained at all times.

2. You need to re-mount a working smoke detector in your basement play room.

Suggestions/Recommendations:

I encourage you to work with Christa Jergens from Child Care Resource and Referral with any ongoing compliance or training needs.
Christa can be reached at: (515) 201-7203

Corrective Action Required:

The above corrections need to be in place by 7/21/2023. No re-check is planned at your home. I will review the corrections during our next visit.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at (515) 291-0008 if you have any questions regarding this letter.

Sincerely,

Earl Crow
