Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 04/05/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.7	**Provider Requirements**
441 IAC 110.8	Standards. Conditions in the home are safe, sanitary, and free of hazards.
441 IAC 110.8(1)	**Facility Requirements**
441 IAC 110.8(1)"h"	The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes
441 IAC 110.8(2)	**Use of Outdoor Space**
441 IAC 110.8(2) "a"	A safe outdoor play area shall be maintained in good condition throughout the year. The play area shall be fenced off when located on a busy thoroughfare or near a hazard which may be injurious to a child, and shall have both sunshine and shade areas. The play area shall be kept free from litter, rubbish, and flammable materials and shall be free from contamination by drainage or ponding of sewage, household waste, or storm water.
441 IAC 110.8(3)	**Medications and Hazardous Materials**
441 IAC 110.8(3)"b"	A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.
441 IAC 110.8(3)"c"	Medications shall be given only with the parent's or doctor's written authorization. Each prescribed medication shall be accompanied by a physician's or pharmacist's direction. Both nonprescription and prescription medications shall be in the original container with directions intact and labeled with the child's name. All medications shall be stored properly and, when refrigeration is required, shall be stored in a separate, covered container so as to prevent

contamination of food or other medications. All medications shall be stored so they are inaccessible to children. Any medication administered to a child shall be recorded, and the record shall indicate the name of the medication, the date and time of administration, and the amount given

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.

441 IAC 110.8(4) "a" Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)" a" A physician's examination report for the provider and all members of the provider's household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) "d", 110.9(4) "f", and 110.9(4) "g"

441 IAC 110.9(1)" b" (1) I-PoWeR records or certificates verifying required training completion:

Prior to registration:

- minimum health and safety training, approved by the Department, in required content areas
- Iowa's Mandatory Child Abuse Reporter Training

Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years' training requirements, not including first-aid and mandatory reporter training

441 IAC 110.9(1)" b"(2) Documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care.

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.

b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.

d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
4. The examination report or statement of health status shall be on file before the child's first day of care

e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.
h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.
i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.
j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care
l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Corrective Action Required:

A follow up visit will not be required. Bridgette needs to send verification of the above items to Kathy by 5/25/2023. Items can be emailed to khuinke@dhs.state.ia or texted to 563-949-6971. Child files do NOT need to be sent in - these will be reviewed at next year's compliance visit.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 563-949-6971 or khuinke@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Kathy Huinker
