II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

Mother Goose Daycare & Preschool operates the following two childcare programs: Mother Goose Daycare & Preschool - Cedar Rapids and Mother Goose Daycare & Preschool - Center Point. Specifically, Mother Goose Daycare & Preschool - Center Point commenced operations on 11/30/2020. This childcare program is located in a predominantly rural community. Mother Goose Daycare & Preschool - Center Point operates year-round, Monday through Friday 6:00am to 6:00pm. The program offers a variety of early learning programming and opportunities to help meet the needs of families and children throughout the community. Mother Goose Daycare & Preschool - Center Points serves children birth through school-age. Current enrollment is 58.

Founding multi-site owner and director of Mother Goose Daycare & Preschool - Center Point is Amber Taylor. Ms. Taylor as a 2-year degree in early childhood education, has over 20 years of experience working with children, has several years of prior director experience, and continues to participate in much child development related training.

On 5/21/2024, program space was observed.

III. IDENTIFY THE OBSERVED STRENGTHS OF THE CENTER:

Mother Goose Daycare & Preschool is well-established offering a variety of early learning programming and childcare to help meet the needs of children and families in the community. Specifically, Mother Goose Daycare & Preschool - Center Point is located in a predominantly rural area and accepts a variety of funding sources. In November, Mother Goose Daycare & Preschool - Center Point will be celebrating their 4th year of providing childcare within a rural community. Congratulations!

Mother Goose Daycare & Preschool - Cedar Rapids and Mother Goose Daycare & Preschool - Center Point sponsor a social media page for enrolled families and current employees.

The philosophy of Mother Goose Daycare & Preschool - Cedar Rapids and Mother Goose Daycare & Preschool - Center Point is "...to provide a safe and secure environment that aids in the development and advancement of children...children will enjoy learning through programs that stimulate their creative, intellectual, physical and social skills..."

Mother Goose Daycare & Preschool programs have a history of participating in quality initiatives including CACFP, QRS and local quality initiatives. Ms. Taylor has also continues her outreach with other licensed childcare owners and directors.

Owner/director Amber Taylor is a local entrepreneur offering two early learning options for families throughout Linn County communities. Ms. Taylor has been a licensed childcare owner since 2018 and has several years of director experience. Ms. Taylor is knowledgeable of licensing guidelines as well as her own program's policies and procedures. Ms. Taylor has noteworthy systems of organization in place to help ensure administrative items are completed as required and maintained in a confidential manner. As a result, the program experiences smooth daily operations.

Since the last monitoring visit, the program has retained seasoned employees as well as obtained a few new ones. Ms. Taylor discussed gratitude for her reliable, good team of employees. Ms. Taylor reported staff appreciation, flexible scheduling when possible, competitive wages, rewarding attendance, and support for ongoing professional goals are part of the program's successful operations. Ms. Taylor also talked about the program's continued growth.

Mother Goose Daycare & Preschool programs have emergency plans, policies, and procedures in place which are annually reviewed and updated as needed. The programs have successfully navigated through historic Linn County flooding events, 2019 winter Polar Vortex, 2019 health (covid-19) pandemic, 8/10/20 Derecho Storm, 2021 food supply issues, 2022 infant formula shortages and 2023 air quality alerts.

Building and grounds are maintained. Center kitchen is extremely well-organized, well-maintained, and sanitary. Clever 5-day established system to assist with food service was observed. Classrooms are arranged in a thoughtful manner to keep learning at the forefront. Classrooms have unique supplies (e.g. farm inspired games, nesting puzzles, grill/home living) which encourage imaginative play and innovation. Mother Goose Daycare & Preschool - Center Point curriculum includes a combination of learning strategies incorporating teacher-inspired ideas, phonics work, math concepts, small and large gross motor, imaginative play experiences, and crafts. Curriculum also includes on-site guest speaker events (e.g. Kona Ice), walking field trips (e.g. local splash pad), annual events (e.g. ice cream social, pizza party), cooking projects, hands on learning/sensory experiences, holiday/seasonal celebrations, and themed days (e.g. summer fun). At times, optional additional enrichment programs are also available including soccer shots, dance classes, and library literacy. Ms. Taylor discussed future goals related to the outdoor playground scheduled to be completed by end of June 2024.

Mother Goose Daycare & Preschool - Center Point continues efforts at optimal communication between the program/staff and families. The program has organized parent-staff/program information centers, offers regular program newsletters, utilizes technological communication resources, and supports family programming activities. Ms. Taylor discussed the positive family feedback the program continues to receive.

Mother Goose Daycare & Preschool - Center Point collaborates well with community partners including local businesses, health professionals, and local school districts. The local school district has been supportive of some transportation services for enrolled students.

Each child is engaged in a daily health check upon arrival for early detection of apparent illness, communicable disease, or unusual condition or behavior which may adversely affect the child or the group. Throughout the rooms, staff discussed the program's policies and procedures including those for hand washing, diapering, cleaning, disinfecting and sanitizing.

On the day of the monitoring visit, staff were nurturing and attentive to the children's needs. Families and children were observed to be warmly greeted upon arrival. Areas of study throughout the classrooms in May include flowers, Mother's Day, farm animals and zoo animals. Children had access to an array of materials (e.g. books, imaginative play options, building materials, sensory items, crafts) that encouraged innovative play. Activities observed (e.g. infant cares, center play experiences, book reading, small group work, Outstanding preschool graduation practice!) were many. Very noteworthy was circle time discussion happening in the 2yo room which was extremely engaging capturing children's attention in the areas of music and movement with developmentally appropriate work on letters, colors, shapes and numbers! Staff provided a companionable presence allowing children to have many choices in their play experiences. Routine transitions (e.g. clean up activities, food service rituals) worked smoothly into the program's welcoming and cooperative play environment. Throughout the classrooms, staff were overheard providing children with positive redirection when needed, offering encouragement and encouraging the use of social graces. Children responded well to staff and appeared to be truly enjoying their day.

IV. IDENTIFY THE ASPECTS OF OPERATION THAT FALL BELOW THE STANDARDS REVIEWED:

None noted.

V. SPECIAL NOTES/RECOMMENDATIONS:

Continued leeway is granted regarding the outdoor play areas with the understanding remedies will be completed by the end of June 2024. Please forward photographs to licensing upon completion of the outdoor playground improvements.

Continue to ensure taller shelving and cot storage is secure to help prevent a topple hazard.

A full license is issued. Thank you for the visit.
