CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Shelia has been providing child care for over 25 years now and has been registered the entire time. Shelia accepts children aged infant through school agers. Currently, Shelia typically provides care Monday through Friday for first shift. Shelia states she is a play based child development home that is 'child-inspired' and includes an emphasis on social-emotional growth in children. Shelia works with the children on readiness activities to better prepare them for preschool and/or kindergarten.

2. Identify Observed Strengths Of The Program

Shelia believes her greatest strength is that she understands child development and how to effectively assist children in reaching those developmental milestones. Shelia genuinely loves children and most have been like family to her. Shelia's home provides an opportunity for children to play safely with a wide variety of activities available. Shelia is organized in terms of her environment and required paperwork for annual compliance visits.

3. Identify The Aspects That Fall Below The Standard

None noted. Provider is currently in full compliance.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
