Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home C conducted on 09/21/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. Your home is rated a 1 on the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)“ a” A physician’s examination report for the provider and all members of the provider’s household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

441 IAC 110.9(3) An individual file is maintained for each substitute and contains:

1. Documentation from the department confirming the record checks required under 441 IAC 110.9(1) “a” have been completed and authorizing or conditionally limiting the person’s involvement with child care.
2. A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.
3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.
4. Certification in infant and child first aid
5. Certification or other documentation that minimum health and safety training has been completed within 3 months or prior to providing substitute care, whichever occurs first.

Findings:

1. 110.9(1)a Provider File:
-The provider is missing a physical for her husband in her provider file.

2. 110.9(3)b Substitute File:
-The provider is missing a physical for one substitute.

Suggestions/Recommendations:

1. The provider needs to have a current (within 3 years) physical for all household members over the age of 18 on form 470-5152, Child Care Provider Physical Examination Report.

2. The provider needs to have a current physical (within 3 years) for all substitutes on form 470-5152, Child Care Provider Physical Examination Report.

Corrective Action Required:

A re-check is not needed at this time, corrections need to be made by 10/5/2023 and will be reviewed at the next annual compliance check.
