1. Basic Overview

LaTonya has been providing child care since 2018. LaTonya provides child care Monday-Friday for first and second shift care. LaTonya is also open on the weekends, but just for first shift hours. LaTonya will accept children aged infant through school aged. LaTonya describes her child care setting as "busy and active". LaTonya reported that she takes the children on regular field trips, especially during the summer. They enjoy visits to the library and museums. LaTonya works on readiness activities with the kids to help prepare them better for pre school and kindergarten. This includes working on ABC's, 123's, identifying and recognizing their own names, colors and shapes.

2. Identify Observed Strengths Of The Program

CHILD CARE ANNUAL EVALUATION

LaTonya believes one of her greatest strengths is her cooking skills. LaTonya spends time teaching the kids how to cook simple items. LaTonya talks with them about following recipes and giving them hands on opportunities to help her. LaTonya is a participant in the CACFP food program for child care providers. LaTonya is aware of her resources including CCRR and seeks assistance when needed.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

LaTonya needs copy of emergency numbers placed in vehicle used to transport children.
LaTonya needs a new 2A10BC rated fire extinguisher as hers is broken.
LaTonya needs smoke detector placed in side room on main level of the home and needs to ensure all child occupied rooms have a smoke detector as well as the top of all stairwells.
LaTonya needs no smoking sign for every entrance of the home and in vehicle used to transport.
LaTonya's outdoor area needs a general clean up. In the play area, there is a wooden swing set that has been taken down, however, it is still disassembled in the play area. This needs to be removed from children's play area.
LaTonya needs a new pack and play and/or crib. LaTonya had a one year old in a pack and play that had a noticeable hole ripped in the netting (approximately 2"x3"). The opening is a hazard as a child could put a hand, foot, or their head in this hole.
LaTonya has an updated physical however it is not documented on required HHS form. LaTonya will have form completed by physician.
In a review of child files, there are a few children that need updated physicals and immunization certificates.

LaTonya will send verification of the above items to Kathy by 8/27/2026. Items can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971.
