1. Basic Overview

Imerde Ndayisenga is a CDH Category A provider, living in Des Moines. She has been a registered daycare provider since 2024. Imerde Ndayisenga lives in a ranch style house. Imerde Ndayisenga uses the whole house for her child care operation.

2. Identify Observed Strengths Of The Program

Imerde Ndayisenga had no daycare children present during our compliance visit. She works four days a week, outside of the home. Imerde Ndayisenga provides care to one child, who is 2 years old. She said the daycare child likes to play with toys, reach books, exercise, play outside at the park and work on their colors. We reviewed all safe sleep regulations. Imerde Ndayisenga has a crib for infants to sleep in. Imerde Ndayisenga uses redirection for discipline.

CHILD CARE ANNUAL EVALUATION

3. Identify The Aspects That Fall Below The Standard

Emergency numbers posted for police, fire, ambulance, and poison information center.
Number for each child's parent, a person who can be reached when the parent cannot and child's physician is written on paper and readily accessible by the working telephone.
Nonsmoking signs are posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone number for reporting complaints, and www.iowasmokefreeair.gov.
110.8 (4) a : Emergency and disaster plans for fire and tornado are written and posted by primary and secondary exits. The plans shall clearly map building evacuation routes in case of fire, a safe place indoors in case of tornado, and flood shelter areas.
Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
110.8 (4) b : Procedures are in place for:Evacuation to safely leave the facility,Relocation to a common, safe location after evacuation,Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue,Lock down to protect children and providers from an external situation,Communication and reunification with families,Continuity of operations, andProcedures to address the needs of individual children, including those with functional or access needs.
110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
Within six months of becoming registered, children 18 years of age or younger residing in the household must have:Admission physical exam report.Immunization certificate.For school age: Documentation of physical exam completed at time of school enrollment or since that time.
110.9(4) : An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
110.9 (4) a : Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
110.9 (4) b : Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child's regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.
110.9 (4) k : Injury report forms to document injuries requiring first aid or medical care.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. Emergency numbers posted for police, fire, ambulance, and poison information center.
2. Contact information for each child needs written out. This needs to include child's parent, a person who can be reached when the parent cannot and child's physician.
3. Nonsmoking signs are posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone number for reporting complaints, and www.iowasmokefreeair.gov.
4. Emergency and disaster plans for fire and tornado are written and posted by primary and secondary exits.
5. Maps shall clearly map building evacuation routes in case of fire, a safe place indoors in case of tornado, and flood shelter areas.
6. Fire and tornado drills need practiced monthly. Record of these drills need kept for inspection purposes.
7. Emergency preparedness plan needs to be completed. This plan addresses evacuation, shelter in place, and lock down

procedures. I would encourage you to work with CCR&R as indicated below in suggestions
8. All household members need physicals. Household members over the age of 18 need the physical completed on the state required form. These need updated every 3 years. Under 18 years old, can use any medical statement.
9. Please review all daycare children files to ensure they have the required documentations- emergency contact information, pick up and drop off information, emergency medical consent, current physical and immunization records.

5. Special Notes/recommendations

I encourage you to continue working with Traci from Child Care Resource and Referral for any ongoing compliance or training needs.
Traci: Work Cell: 515-802-8163

A recheck will be completed regarding your Emergency Preparedness Plan.

HHS Child Development
Home Compliance Worker: Ellen Abbott Date: 5/12/2026

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at
