1. Basic Overview

April has been a registered childcare provider since February 2010. April is a category B provider, and she does not have any substitutes or assistants. April's childcare hours are 5:30am to 4:30pm, Monday through Friday. April cares for children ages 1 year to 4 years. April participates with the food program.

2. Identify Observed Strengths Of The Program

April was caring for 6 children at the time of the compliance visit. The children were having free play and watching a children's t.v. show. April was also working on potty training with a few of the children.

April says that the children love to play outside and she recently made a "water wall" on the side of her fence with tubes and funnels. April and her son also recently made a wind-tunnel for the children to play with. April says that in the wintertime she may bring in a climbing structure for the kids to use when they can't get outside. April says that she keeps the children busy reading books, play doh, sand, coloring and making bracelets.
