CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Ashley has been a registered provider for approximately four months. Ashley is in the process of becoming a registered child care provider. Ashley is providing care to family members currently and at this time is not accepting new enrollments. Ashley will consider care for infants through school aged individuals. Currently Ashley provides care Mondays, Tuesdays, Thursdays and Fridays. Ashley offers a play=based environment for children to grow and learn.

2. Identify Observed Strengths Of The Program

Ashley believes her greatest strengths in working with children is her patience and ability to remain calm under pressure during challenging situations. Ashley's home offers children a safe environment with room for activities. Ashley appears to be organized and is already utilizing a binder system for required paperwork. Ashley has established a working relationship with Child Care Resource and Referral already and will continue to utilize their supports. Ashley is interested in participating in the CACFP food program for child care providers and has already met with them to initiate the process. Ashley may consider one of the child care management systems, such as Bright Wheel, as she is familiar with it from the center she utilizes for her own child.

3. Identify The Aspects That Fall Below The Standard

Ashley is fully compliant at this time.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

Fully compliant - nothing further required at this time.

5. Special Notes/recommendations

Targeted compliance of Emergency Preparedness Plan completed. Plan is accurate and up to date.

Ashley's pre inspection will be approved with an effective date of 9/9/2026.
