CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Tanika has been a registered child care provider for over a year now. Tanika provides care for infants through school agers for all shifts of care. Tanika has a fun and safe environment for children where she incorporates learning time with play time.

2. Identify Observed Strengths Of The Program

Tanika believes her greatest strengths are providing a loving and safe environment for children. Tanika has cameras in the back and front of her child development home adding to the security. Tanika stays on top of the kids and maintains their ongoing safety. Tanika is organized in her paperwork and physical environment. Tanika communicates well with parents of children in care and also interacts lovingly with the children. Tanika is receptive to services and works with Child Care Resource and Referral as needs arise.

3. Identify The Aspects That Fall Below The Standard

Each smoke detector is tested monthly, and a record is kept for inspection purposes.
Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.

Tanika will resume monthly testing of smoke detectors and fire/tornado drills and maintain written documentation.

110.9 (1) b : Documentation from the Department confirming record checks have been completed and authorizing or limiting the person’s involvement with child care.
Tanika needs her HHS approval letter.
Tanika's two sons just returned home. Tanika needs to contact the CCA Unit at 866-448=4605 to request a change application and have necessary background checks run to approve them as household members. Tanika will also need physicals for each of them documented on required HHS form.

110.9(4) : An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.

Tanika needs to ensure that all enrolled children have updated enrollment forms (signed and dated within the last year) and current physical examinations.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

Tanika needs to send verification of the above items to Kathy by 10/19/2025. Items can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971.

Tanika needs to call CCA Unit at 866-448-4606 to request a change application to add her sons to her household.
