CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Grace registered as a non-registered Child Care Home accepting CCA effective 6/1/2025. Grace identified she only watches her relatives children for a total of 4 children. Grace does not take other children into her program. Grace has completed all the required trainings to move to an "A" category Child Development Home. She has the ability to have children 7 days a week 24 hours a day.

2. Identify Observed Strengths Of The Program

Grace is available to the families she serves 24 hours a day 7 days a week. She exclusively cares for relatives children. Grace's organizational skills are strong evidenced by the binders she has created for the significant amount of paperwork required. During the compliance check Grace communicated appropriate behavioral interventions that do not include any corporal punishments. Grace has participated with a Safe Sleep training and is able to identify the policies of Safe Sleep. The children in her care receive regular meals. Grace said they use a local park to play outside when appropriate.

3. Identify The Aspects That Fall Below The Standard

Number for each child’s parent, a person who can be reached when the parent cannot and child’s physician is written on paper and readily accessible by the working telephone.
All travel vehicles must have a paper copy of emergency parent contact information.
All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo- and ectoparasites.Form 470-5153, Veterinary Health Certificate, is on file.

1. Each child in care needs their individual emergency contacts written on paper and easily accessible. A copy of these numbers need to be in the vehicle used to transport children.

2. A DHHS Vet Form needs to be completed each year. I left a blank form for you to take to the vet.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A
