Albia, IA 52531

Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 08/25/2022. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. Your home is rated a 1 on the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)"c" Combustible materials shall be kept a minimum of three feet away from furnaces, stoves, water heaters, and gas dryers

441 IAC 110.8(1)"h" The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(1)"n" Providers shall inform parents of the presence of any pet in the home.

1. Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal's routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice).

2. Each pet bird in the household shall be purchased from a dealer licensed by the Iowa department of agriculture and land stewardship and shall be examined by a veterinarian to verify that it is free of infectious diseases. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Children shall not handle pet birds.

3. Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank.

4. All animal waste shall be immediately removed from the children's areas and properly disposed of. Children shall not perform any feeding or care of pets or cleanup of pet waste.

5. No animals shall be allowed in the food preparation, food storage, or serving areas during food preparation and serving times

441 IAC 110.8(3) **Medications and Hazardous Materials**

441 IAC 110.8(3) "d" The provider shall establish procedures related to infectious disease control and handling of any bodily excrement or discharge, or blood. Soiled diapers shall be stored in containers separate from other waste.

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.

b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.

c. A signed medical consent from the parent authorizing emergency treatment.

d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.

3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

4. The examination report or statement of health status shall be on file before the child's first day of care

e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care

l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

441 IAC 110.15(3) **Facility requirements:**

441 IAC 110.15(3)" c" The home shall have a minimum of two direct exits to the outside from the main floor.

1. If the second level or the basement of the home is used for the provision of child care, other than the use of a restroom, each additional child-occupied floor shall have at least

one direct exit to the outside in addition to one inside stairway.
2. All exits shall terminate at grade level with permanent steps.
3. A basement window may be used as an exit if the window can be opened from the inside without the use of tools and it provides a clear opening of not less than 20 inches in width, 24 inches in height, and 5.7 square feet in area. The bottom of the opening shall be not more than 44 inches above the floor, with permanent steps inside leading up to the window.
4. Occupancy above the second floor shall not be permitted for child care

Findings:

441 IAC 110.8(1)“c” Provider needs to move items away from furnace.
441 IAC 110.8(1)“h” Provider does not test smoke alarms.
441 IAC 110.8(1)“n” Provider does not have exams on correct forms. Providers does not have exams for all pets.
441 IAC 110.8(3) “d” Provider does not have policies for handling infectious disease and bodily fluids.
441 IAC 110.9(1)“a” Provider does not have physical for her or her adult child.
441 IAC 110.9(4) Provider does not have identifying and emergency information for all children, no signed medical consents, doe not physicals or immunizations for all children, no documentation for authorized persons to pick up children for all children, does not have written emergency plan for children with allergies.
441 IAC 110.15(3)“c” The bottoms of window opening does not have permanent steps.

Suggestions/Recommendations:

Corrective Action Required:

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 641-660-5537/nclaywe@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Nikki Claywell
