CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Erlinda Segovia is a CDH Category A provider, living in Des Moines. She has been a registered daycare provider since 2012. Erlinda Segovia lives in a one story house. She uses the basement area for her childcare operation.

2. Identify Observed Strengths Of The Program

Erlinda Segovia was organized for our compliance check. At the time of my visit, 5 children were present, ages 1 years old to 5 years old. Erlinda Segovia offers 24 hour care, but currently has no daycare children overnight. Erlinda has a large fenced in backyard. Erlinda said the daycare children like to play with toys, do arts and crafts and read books. Erlinda has the children separate and "cool off" for discipline. We reviewed all safe sleep regulations. Erlinda has pack and plays for infants. Erlinda speaks English and Spanish.

3. Identify The Aspects That Fall Below The Standard

110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. Please review all child files. Each child needs an updated physcial, these need updated yearly.

5. Special Notes/recommendations

I encourage you to continue working with Brittany from Child Care Resource and Referral for any ongoing compliance or training needs. \

Brittany: 515-246-3567 Ext:2345
Work Cell: 515-202-7122

Emergency preparedness plan met targeted expectations.
