CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Angela has been involved in child care for approximately 24 years. Angela has been registered with the state of Iowa for much of that. Generally Angela accepts children of all ages, but this year she will only accept children over 18 months of age due to the currently enrolled children in her care. Angela provides first shift care only. Angela is primarily a play-based program, however, she does include current to document children's learning milestones for things like colors, shapes, and counting.

2. Identify Observed Strengths Of The Program

Angela maintains her paperwork in an organized fashion. Angela believes she is flexible and patient with children in her care. Angela communicates well with children's parents and works jointly with them in the best interests of the children. Angela considers her home child care to be a "safe spot" for kids where they are always safe and will be 'loved on' until they return home.

3. Identify The Aspects That Fall Below The Standard

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
Angela has current pet records for all of her pets, but they are not all on the required HHS form. 2 cats and 1 dog need documentation on required HHS form.

110.9 (2) c : Certification of two hours of approved training relating to identification and reporting of child abuse within six months of employment.
Angela's Mandatory Child Abuse Reporter training just expired 7/28/2025. Angela needs to update her MART training.

110.9(4) : An individual file is maintained for each child and updated annually or when there are changes.
Angela needs to update enrollment forms by having parent sign and date all forms again.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

Angela needs to send verification of the pet records and updated MART certificate to Kathy by 10/3/2025. Items can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971.

Child files do not need to be sent and will be reviewed at next year's compliance visit.

5. Special Notes/recommendations

None noted.
