CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Judith Little is a CDH Category B provider, living in Altoona. She has been a registered daycare provider since 2010. Judith has one approved child care assistant. Judith lives in a ranch style house with no basement.

2. Identify Observed Strengths Of The Program

Judith was able to locate trainings for me and provide care all of the daycare children, during my compiance visit. Judith said the children do arts and crafts, play with toys, go on field trips and play at the park. Judith uses redirection, talking and sitting out until calm, for discipline. Judith currently has no infants, but we reviewed all safe sleep regulations. Judith has pack and plays. Judith uses an area of the house with few windows for tornado drills, due to not having a basement. Judith has a large backyard.

3. Identify The Aspects That Fall Below The Standard

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

At the time of my compliance visit, Judith Little was in full compliance.
