Suggestions/Recommendations:

If you have any questions regarding this letter, please contact compliance staff.

Your CCR&R representative is Kelly Phelps. Her contact number is 515-802-7292.

Corrective Action Required:

In regards to the pet physical forms, these pet forms need to be filled out annually by your veterinarian. Please have these completed by November 13, 2024. Send photo evidence to 712-435-0576.

In regards to the files you have for assistants, please ensure that each assistant has a physical on file, along with a copy of their completed mandatory reporter training. I have reached out for I-Power questions and will follow up with you after I know what to do. If any of your assistants will no longer be involved with your business, you can email registration at crsacca@dhs.state.ia.us and report who is no longer an assistant for your business. If this is your child, please let them know that they need to remain in your household, but no longer an assistant. Please work with your assistants to get a copy of their physical on file and ensure they have completed the mandatory reporter training. Files will be reviewed at your next compliance visit.

In regards to the children's files for children in your care, one file was missing the intake physical and immunization record. Remember these items should be given to you by parents before the child starts in your care. Work with this family to obtain the missing information. Files will be reviewed at your next compliance visit.

[X] The recommendation is to terminate a CCA Provider Agreement and/or revoke Registration.

Please do not hesitate to contact me at DHS at 712-435-0576 or stacy.burris@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,
