CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Michelle is a category B provider who has been doing childcare for 20 years, all of which she has been registered. She has completed IQ4K, Level I. She belongs to the food program. She accepts childcare assistance payments. Her hours are from 7:00AM to 5:00PM, Monday through Friday. She accepts children of all ages.

2. Identify Observed Strengths Of The Program

Michelle is an experienced provider who is knowledgeable of child development and behaviors. She strives to maintain good communication with the children's parents, including sending out a quarterly newsletter. Her program is play-based with a variety of activities for the children both indoors and outdoors. Meals, snacks, and naptimes are at consistent times throughout the week.

3. Identify The Aspects That Fall Below The Standard

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.

The provider needs documentation of recent physical examinations for herself and her husband.

110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.

Several children need recent physical examinations in their files.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
