- [ ] School Age
- [X] All Ages

1. Basic Overview

Amie Raphael is a CDH Category A provider, living in Des Moines. She has been a registered daycare provider since 2023. Aime lives in a ranch style house and uses the whole house for her child care operation. Amie speaks English and Swahili.

2. Identify Observed Strengths Of The Program

At the time of my compliance visit, Aime was watching one daycare child, a 4 year old. Aime had recently given birth. Aime was able to locate some trainings, but could benefit from working with CCR&R to become more organized. Aime is currently watching children during the day and evenings but is not providing overnight care. For discipline Aime said she talks to the children and redirections them. She currently has no infants enrolled in daycare, but we reviewed all safe sleep

regulations. I observed the daycare child playing with toys and dancing in the living room.

3. Identify The Aspects That Fall Below The Standard

1. Your CPR training has expired. CCR&R can assit in finding trainings.
2. Number for each child's parent, a person who can be reached when the parent cannot and child's physician is written on paper and readily accessible by the working telephone.
3. 110.8 (3) a : All medicines and poisonous, toxic, or otherwise unsafe materials are secured from access by a child.
4. Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
5. 110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
6. Within six months of becoming registered, children 18 years of age or younger residing in the household must have:Admission physical exam report.Immunization certificate.For school age: Documentation of physical exam completed at time of school enrollment or since that time.
7. 110.9 (4) a : Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.

110.9 (4) b : Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child's regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.
110.9 (4) k : Injury report forms to document injuries requiring first aid or medical care.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. Your CPR training has expired. CCR&R can assist with finding trainings.
2. Please update your contact information for each child. Information needs to included each child's parent phone number, a person who can be reached when the parent cannot and child's physician is written on paper and readily accessible by the working telephone.
3. Please put a lock on your cabinets, that contain cleaning supplies.
4. Fire and tornado drills need practiced monthly. Record of these drills need kept for inspection purposes.
5. All household members over the age of 18 need physical completed on the state required form. These need updated every 3 years.
6. All household members under the age of 18 need physicals completed on any medical form from a doctor.
7. Please review all daycare children files to ensure they have the required documentations- emergency contact information, pick up and drop off information, emergency medical consent, current physical and immunization records. Physicals need updated yearly.

5. Special Notes/recommendations
