Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 11/09/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)"i" Smoking and the use of tobacco products shall be prohibited at all times in the home and in every vehicle in which children receiving care in the home are transported.
Smoking and the use of tobacco products shall be prohibited in the outdoor play area during the home's hours of operation. Nonsmoking signs shall be posted at every entrance of the child care home and in every vehicle used to transport children.
All signs shall include:
1. The telephone number for reporting complaints, and
2. The Internet address of the department of public health (www.iowasmokefreeair.gov)

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)"a" A physician's examination report for the provider and all members of the provider's household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) "d", 110.9(4) "f", and 110.9(4) "g"

Findings:

1. 110.8(1)i The provider needs new No Smoking Signs posted at every entrance to the home.

2. 110.9(1)a The provider does not have a physical for her husband, Garry, in the provider file.

Suggestions/Recommendations:

1. The provider needs to get new No Smoking Signs and post them at every entrance to the home.

2. The provider needs to have a physical for all household members, on form 470-5152, Child Care Provider Physical Examination Report.

Corrective Action Required:

A re-check is not needed at this time, corrections need to be made by 11/23/23 and will be reviewed at the next annual compliance check.

I encourage you to work with Malia Love from Child Care Resource and Referral with any ongoing compliance or training needs.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration.
