Suggestions/Recommendations:

I encourage Stacy to work with Heather Hinds from Child Care Resource and Referral with any ongoing compliance or training needs.
Heather can be reached at: (712) 786-3489

Corrective Action Required:

1. During the time of my visit, the potty training chair was full to the brim with urine and needed to be emptied/cleaned out. The chair was emptied while I was there, and we reviewed the need to keep the potty chair sanitary at all times.

2. Stacy needs to post an emergency/disaster plan next to her primary and secondary exit. This plan should include a map of the home and clearly mark fire/tornado exits and locations.

3. Stacy needs to update 2 of her children's files with a current physical.

No re-check is required at Stacy's operation. The potty chair needs to be sanitary at all times, and the other corrections need to be in place by 9/3/2025.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at (515) 291-0008 if you have any questions regarding this letter.

Sincerely,

Earl Crow
