CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category A provider Abigail Stone on 7/8/2026. Abigail has been involved with child care for 5 years. She is newer to being a Child Development Home provider and this was her first visit since being approved. Abigail is using the main floor only of their 2 story house. Her primary space is the open living room/dining room. She has an open front yard that can be used for an outside play area. Abigail had 3 countable children present and cares for a total of 6 at this time. She has no HHS-approved substitute/assistants. Abigail is due for her renewal effective 4/30/2027. She has 2 cats that both need a current vet statement on file.

2. Identify Observed Strengths Of The Program

Abigail has low numbers at this time allowing for good attention to the children. She is starting to work towards becoming IQ4K certified. She describes her strengths as having good interactions with "little people" and being creative in coming up with new inside and outside activities. Abigail describes her curriculum as "a work in progress." She has lots of free play mixed with some traditional child care activities. Abigail is hoping to take on a few additional children in the coming months.

3. Identify The Aspects That Fall Below The Standard

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
- Abigail needs to obtain a current vet statement for her 2 cats to have on file. These need to be completed using the State form I shared a copy of and need to be renewed every year. These should be completed by 9/4/2026 and will be reviewed during her next visit.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

The 2026 targeted compliance for the Emergency Preparedness Plan was conducted. Abigail was in compliance having a plan consistent with her current operation.

I encourage Abigail to work with Julia Green from Child Care Resource and Referral with any ongoing compliance or training needs.
Julia can be reached at: (515) 202-1830

Abigail currently has no infants under 12 months of age in care. We reviewed safe infant sleeping policies for future reference.
