Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 03/27/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)" a" The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child's parent, for a responsible person who can be reached when the parent cannot, and for the child's physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information

441 IAC 110.8(1)" h" The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.

441 IAC 110.8(4) "a" Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

441 IAC 110.8(4) "b" The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional

or access needs

Findings:

441 IAC 110.8(1)“a” The number for each child’s parent, for a responsible person who can be reached when the parent cannot, and for the child’s physician shall be written on paper and readily accessible by the telephone.

Emergency telephone numbers were not posted in the home.

441 IAC 110.8(1)“h” The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes.

There was no documentation of completed monthly testing of the smoke detectors.

441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.

Emergency exit plans were not posted by all exits of the home.

441 IAC 110.8(4) “a” Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

There was no documentation of completed monthly fire and tornado drills.

441 IAC 110.8(4) “b” The provider must have procedures in place for the following:
1. evacuation to safely leave the facility.
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue.
4. lock down protocol to protect children and providers from an external situation.
5. communication plan and plans for reunification with families.
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs.

Provider did not have a completed emergency preparedness plan.

441 IAC 110.9(4) Children’s files. An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
a. Identifying information including, at a minimum, the child’s name, birth date, parent’s name, address, telephone number, special needs of the child, and the parent’s work address and telephone number.
b. Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child’s regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
c. A signed medical consent from the parent authorizing emergency treatment.
d. For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child’s first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child’s first day.
e. For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
f. For each school-age child, record of a physical exam completed at the time of school enrollment or since.
g. A signed and dated immunization certificate provided by the state Department of Public Health.
h. Written emergency plans for children with allergies. Must accompany child if away from facility.
i. Documentation signed by the parent which names persons authorized to pick up the child, their telephone number,

and relationship to the child.
j. Written permission from the parent(s) for their child to attend activities away from the child development home.

All of the children's files were missing current documents including physical examinations and immunization records.

Suggestions/Recommendations:

A re-check is not needed at this time, corrections need to be made by 4/27/24 and will be reviewed at the next annual compliance check.

I encourage you to work with Amber Kollbaum from Child Care Resource and Referral with any ongoing compliance or training needs.

Amber can be reached at (712) 541-3498

Corrective Action Required:

Please post in the home telephone numbers for each child's parent, for a responsible person who can be reached when the parent cannot, and for the child's physician.

Please test all the smoke detectors in the home monthly and document.

Please post emergency exit plans for fire and tornado by all exits of the home.

Please complete monthly fire and tornado drills and document.

Please completed an emergency preparedness and response plan.

Please update the children's files as needed.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at djaehrl@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,
Dave Jaehrling
