CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Tamela has been a non-registered childcare provider on and off since 2017. She has a Child Care Provider Agreement. There is a small fenced in back yard. She does not participate in the food program. She does not have any pets.

2. Identify Observed Strengths Of The Program

Tamela keeps the childcare areas of the home clean and organized. She has a play-based program that is guided by what the children are interested in at that moment. She likes to take the children for walks. There were no safety concerns in the home during my visit.

3. Identify The Aspects That Fall Below The Standard

Each smoke detector is tested monthly, and a record is kept for inspection purposes.

The provider needs to record monthly testing of the smoke detectors.
